LEGGERE E CONSERVARE

AVVERTENZE

Montaggio e installazione: Il prodotto deve essere montato e installato esclusivamente da persone adulte. Prima di procedere, leggere attentamente le istruzioni qui fornite. Sicurezza e responsabilità: La mancata osservanza delle istruzioni può comportare gravi rischi per la sicurezza personale, oltre a possibili danni al prodotto e all'ambiente circostante. Il produttore non si assume alcuna responsabilità per eventuali danni a persone o cose derivanti da un montaggio, fissaggio o ancoraggio non corretti. Controllo preliminare: Prima di iniziare il montaggio, verificare di avere tutti gli elementi di ferramenta e assicurarsi che nessuna componente sia danneggiata. In caso di difetti o discrepanze, contattare il servizio clienti. Reso e gestione danni da trasporto: In caso di reso o danni causati dal trasporto, è importante conservare l'imballaggio originale e contattare tempestivamente l'assistenza clienti per la risoluzione del problema.

ATTENZIONE

Conservare tutte le parti di ferramenta e gli imballaggi lontano dai bambini e non permettere loro di giocare con il prodotto. Preparazione dell'area di montaggio: scegliere una zona di lavoro pulita, ampia e su una superficie piana. Evitare superfici dure che possano danneggiare il prodotto; è preferibile utilizzare un tappeto o un materiale protettivo. Sicurezza durante il montaggio: utilizzare occhiali di protezione e guanti da lavoro per prevenire possibili infortuni. Prestare attenzione, poiché i componenti lubrificati, come le guide, possono macchiare.

CURA E MANUTENZIONE

Protezione dal calore e dalla luce: mantenere il prodotto lontano da fonti di calore diretto (non appoggiare pentole e/o prodotti molto caldi potrebbero compromettere il materiale) e dalla luce solare prolungata, poiché ciò potrebbe causare sbiadimento del colore. Pulizia e cura della superficie: per preservare il prodotto, effettuare regolarmente la pulizia con un panno morbido per evitare graffi e utilizzare solo detersivi non aggressivi. Non è necessario applicare cere. Evitare prodotti abrasivi: non utilizzare solventi abrasivi o detersivi chimici aggressivi, poiché possono danneggiare la finitura del prodotto. Rimuovere subito qualsiasi deposito d'acqua o traccia di liquido tamponando con un panno morbido e pulito, per evitare danni alla superficie. Controllo periodico: verificare periodicamente che tutti i componenti strutturali e di fissaggio del prodotto siano in buone condizioni, ben serrati e pienamente funzionali.

PRECAUZIONI

Non tossico: il prodotto, se utilizzato per la destinazione d'uso prevista, non presenta rischi tossici o dannosi per le persone e l'ambiente. Modifiche non autorizzate: itamoby non è responsabile per danni a persone, animali o cose causati da modifiche non autorizzate o interventi arbitrari di terzi sui suoi prodotti. Uso interno: salvo diversa indicazione, il prodotto è destinato esclusivamente a un uso interno. Evitare utilizzi impropri o scorretti rispetto alla funzione per cui è stato progettato e realizzato.

GARANZIA

In base al Codice del Consumo italiano (D.Lgs. n. 206/2005), questo prodotto è coperto da una garanzia legale per difetti di conformità, valida per 24 mesi dalla data di consegna ai privati. La garanzia prevede la riparazione o sostituzione dell'articolo, o di sue parti, a condizione che venga utilizzato conformemente alle istruzioni e alla destinazione d'uso prevista.

La garanzia non copre:

- installazione effettuata con ferramenta o componenti mancanti
 - installazione effettuata con ferramenta o componenti danneggiati
 - danni dovuti a normale usura, come scolorimento per esposizione alla luce, infiltrazioni d'acqua, eccessivo calore o uso improprio, così come la mancata osservanza delle corrette pratiche di manutenzione descritte.
- Decadenza della garanzia: La garanzia è considerata nulla qualora il prodotto venga modificato arbitrariamente dal cliente. Si ricorda inoltre che effettuare il montaggio nelle condizioni sopra indicate può compromettere la sicurezza del prodotto, con il rischio di danni materiali o lesioni.

PRIVACY

In conformità al Regolamento UE 2016/679, relativo alla protezione delle persone fisiche con riguardo al trattamento dei dati personali, si informa che i dati saranno trattati esclusivamente per le finalità legate alla corretta gestione del rapporto commerciale. Per maggiori dettagli, è possibile consultare l'informativa completa al link: <https://www.iubenda.com/privacy-policy/32120238/legal>. Ai sensi dell'art. 6, par. 1, lett. b) e c) del Regolamento UE 2016/679, non è necessario acquisire il consenso esplicito per il trattamento dei dati personali da parte del Titolare del trattamento.

READ AND KEEP

WARNINGS

Assembly and installation: The product must be assembled exclusively by adults. Carefully read the provided instruction manual before proceeding. Safety and responsibility: failure to follow the instructions may cause serious risks to personal safety and potential damage to the product and the surrounding environment. The manufacturer does not take responsibility for potential damages to people or objects caused by improper assembly, fixing or anchoring. Preliminary check: Before starting the assembly, ensure that all hardware elements are present and each component is not damaged. In case of discrepancies or defects, reach out to customer service. Returns and transportation damage management: In case of returns or damage caused during transportation, it is important to keep the original packaging and promptly contact customer service for issue resolution.

ATTENTION

Keep each hardware part and packaging out of reach of children and do not allow them to play with the product. Assembly area setup: choose a clean, wide and flat surface. Avoid hard surfaces that might damage the product. Using a carpet or protective material is preferable. Safety during assembly: wear protective glasses and gloves in order to avoid potential injuries. Be mindful that lubricated elements such as table sliders may stain.

CARE AND MAINTAINANCE

Protection from heat and light: Keep the product away from direct heat sources (laying hot pans or objects may compromise the materials) and avoid prolonged exposure to light as this may cause colour fading. Cleaning and surface care: To preserve the product, regularly clean the surface, using a soft cloth to avoid scratches and use mild detergent. Applying waxes is not necessary. Avoid abrasive products: Avoid abrasive solvents and harsh detergents, as they may damage the product. Immediately remove any water deposit or liquid traces by dabbing with a clean and soft cloth to prevent surface damage. Regular inspection: Periodically check that all structural and fastening components are in good condition, properly tightened, and fully functional.

PRECAUTIONS

Non toxic: the product does not pose a toxic hazard or danger for the environment or people when used for its intended purpose. Unauthorized modifications: Itamoby is not responsible for any damage to persons, animals or objects caused by unauthorized alterations or interventions by third parties on its products. Internal use: unless stated otherwise, the product is exclusively intended for indoor use. Avoid improper or incorrect use contrary to the function for which the product has been designed and manufactured.

WARRANTY

According to the Italian Consumer Code (D.Lgs. n. 206/2005), this product is covered by legal warranty for conformity defects, valid for 24 months from the delivery date to the customer. Warranty includes repair or replacement of the product or its parts, provided the product is used in accordance with the instructions and the intended purpose. Warranty does not cover:

- assembly done with missing hardware or components
- assembly done with damaged hardware
- damages caused by normal use, such as fading due to light exposure, water infiltration, excessive heat or improper use as well as failure to adhere to the correct maintenance practices described.

Warranty expiration: Warranty is void if the product is arbitrarily modified by the customer. Be aware that assembling the product in such a manner may compromise its safety, risking material damage or injury.

PRIVACY

In accordance with EU Regulation 2016/679, regarding the protection of individuals with respect to the processing of personal data, please be informed that the data will be processed exclusively for purposes related to the proper management of the business relationship. For further details, the privacy notice can be consulted in its entirety at: <https://www.iubenda.com/privacy-policy/32120238/legal>. Under Article 6, paragraph 1, letters b) and c) of EU Regulation 2016/679, explicit consent is not required for the processing of personal data by the Data Controller.

À LIRE ET À CONSERVER

AVERTISSEMENT

Montage et installation : Le produit doit être monté et installé uniquement par des adultes. Veuillez lire attentivement les instructions fournies avant de procéder. Sécurité et responsabilité : Le non-respect de ces instructions peut entraîner de graves risques pour la sécurité personnelle, ainsi que des dommages potentiels au produit et à l'environnement. Le fabricant décline toute responsabilité pour tout dommage corporel ou matériel résultant d'un montage, d'une fixation ou d'un ancrage incorrect. Contrôle préliminaire : Avant de commencer l'assemblage, veuillez vérifier que vous disposez de tous les éléments de quincaillerie et vous assurer qu'aucune pièce n'est endommagée. En cas de défauts ou de pièces manquantes, veuillez contacter notre service client. Retour et gestion des dommages de transport : En cas de retour ou de dommages causés pendant le transport, il est important de conserver l'emballage d'origine et de contacter rapidement notre service client pour résoudre le problème.

AVIS IMPORTANT

Il est important de garder tous les éléments de fixation et les emballages à l'abri des enfants. Ne laissez pas les enfants jouer avec le produit. Préparez un espace de travail sûr : choisissez une zone propre, spacieuse et plane pour assembler votre produit. Évitez les surfaces dures qui pourraient endommager le produit. Il est préférable d'utiliser un tapis ou un matériau de protection. Sécurité lors du montage : Pour votre sécurité, nous vous recommandons de porter des lunettes de protection et des gants de travail lors du montage de ce produit. Attention : certaines pièces lubrifiées, telles que les rails, peuvent tacher. Veuillez manipuler ces éléments avec précaution.

ENTRETIEN ET MAINTENANCE

À protéger de la chaleur et de la lumière directes. Éviter tout contact avec des surfaces chaudes. Une exposition prolongée au soleil peut causer une décoloration. Nettoyage et entretien de la surface: Afin de préserver votre produit, nettoyez-le régulièrement à l'aide d'un chiffon doux pour éviter les rayures et n'utilisez que des détergents non abrasifs. L'application de cires n'est pas nécessaire. Éviter les produits abrasifs : n'utilisez pas de solvants abrasifs ou de produits nettoyants chimiques agressifs, car ils risquent d'endommager la finition du produit. Enlevez immédiatement toute trace d'eau ou tout liquide en tamponnant délicatement avec un chiffon doux et propre, afin d'éviter d'abîmer la surface. Inspection régulière : Il est recommandé d'effectuer des inspections régulières afin de s'assurer que tous les éléments structurels et de fixation du produit sont en parfait état, correctement serrés et qu'ils remplissent pleinement leur fonction.

PRÉCAUTIONS

Non toxique: Le produit, utilisé conformément à son usage prévu, ne présente aucun risque toxique ou nocif pour les personnes ou l'environnement. Modifications non autorisées : Itamoby décline toute responsabilité pour les dommages corporels, matériels ou causés aux animaux résultant de modifications non autorisées ou d'interventions arbitraires de tiers sur ses produits. Usage interne : sauf indication contraire, ce produit est destiné exclusivement à un usage intérieur. Évitez toute utilisation inappropriée ou ne correspondant pas à sa fonction d'origine.

GARANTIE

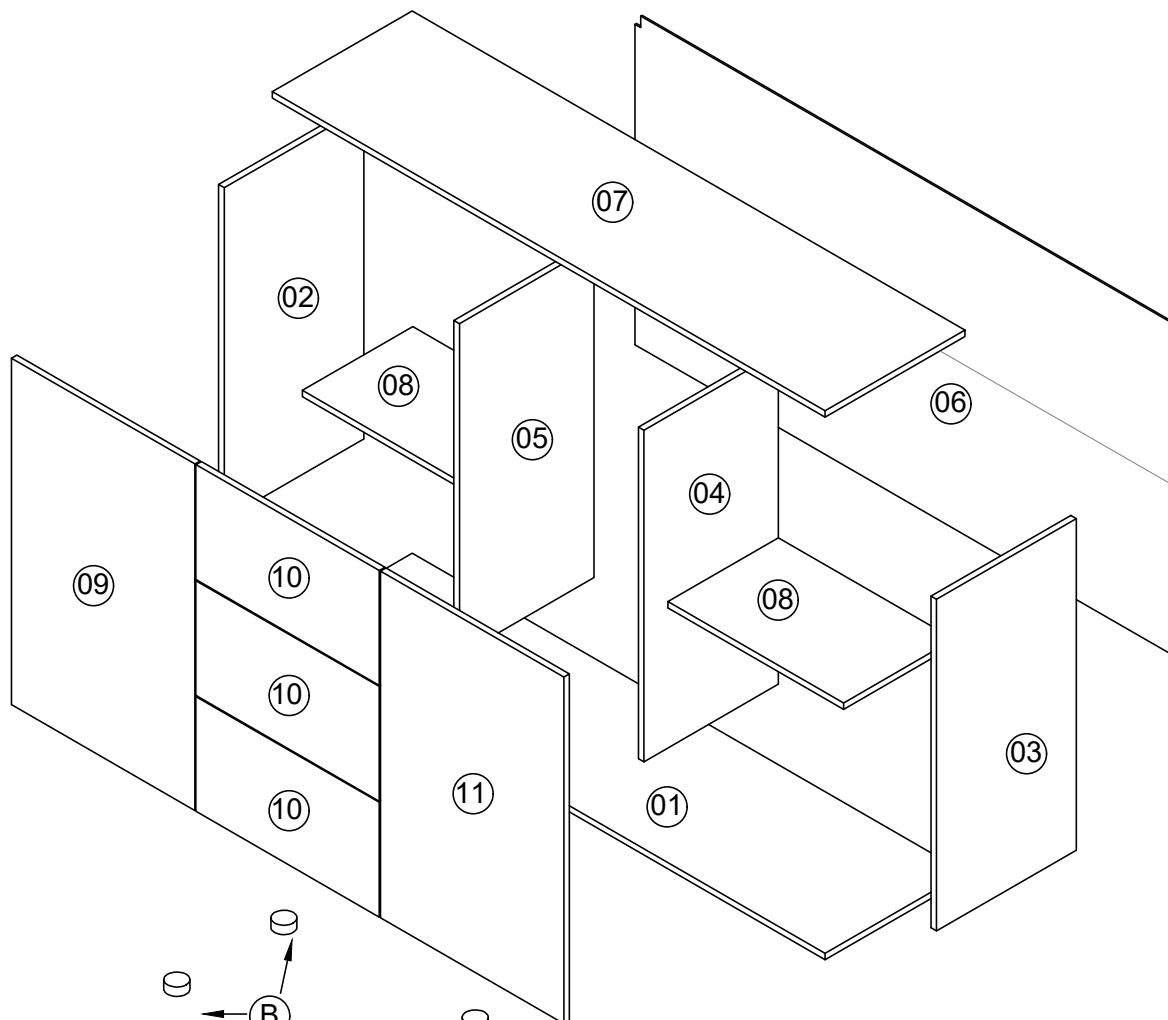

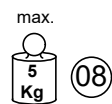

Conformément au Code de la consommation italien (D.Lgs. n° 206/2005), ce produit bénéficie d'une garantie légale contre les défauts de conformité, valable 24 mois à compter de la date de livraison aux particuliers. La garantie couvre la réparation ou le remplacement de l'article, ou de ses pièces, à condition qu'il soit utilisé conformément aux instructions et à l'usage auquel il est destiné. La garantie ne couvre pas :

- l'installation réalisée avec de la quincaillerie ou des composants manquants.
- l'installation réalisée avec de la quincaillerie ou des composants endommagés.
- Les dommages dus à l'usure normale, tels que la décoloration due à l'exposition directe à la lumière, les infiltrations d'eau, la chaleur excessive ou une utilisation inappropriée, ainsi que le non-respect des bonnes pratiques d'entretien décrites.

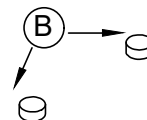

Perte de garantie : La garantie sera annulée en cas de modification non autorisée du produit par le client. Nous rappelons également que le montage du produit dans des conditions autres que celles spécifiées ci-dessus peut compromettre la sécurité de l'appareil et entraîner des dommages matériels ou des blessures.

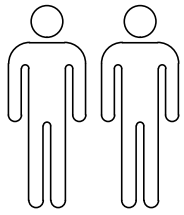

POLITIQUE DE CONFIDENTIALITÉ

Conformément au Règlement (UE) 2016/679 relatif à la protection des personnes physiques à l'égard du traitement des données à caractère personnel, nous vous informons que vos données seront traitées uniquement dans le but de gérer notre relation commerciale. Pour plus d'informations détaillées, veuillez consulter notre politique de confidentialité complète à l'adresse suivante : <https://www.iubenda.com/privacy-policy/32120238/legal>. Conformément à l'article 6, paragraphe 1, points b) et c) du Règlement UE 2016/679, votre consentement explicite n'est pas requis pour le traitement de vos données personnelles par le responsable du traitement.
